Rolling Korea

Long-Term Study Program

Special Benefits and Full Support

If you are planning to study in Korea for 3 months or more, enroll in the **Long-Term Study Program**. From admissions counseling to returning home, you can prepare for a successful long-term study abroad. Special discounts and scholarships are available for the early bird registration.

Early Bird Enrollment Benefits

- Tuition discount
- Scholarship or Airline Ticket (only applied to package course)
- Free airport pick-up service (one way)
- Accommodation support services
- Free student support services (only applied to 6 months or more registration)
- 1 Free ticket: on-air music TV show (only applied to package course)

Study and Travel at the same time! (only applied to package course)

It's a great opportunity to study and explore countries around Korea at the same time. We provide air tickets to honor students to discover more about Asia while studying in Korea.

Annual course schedule

Semester	Early bird deadline	Enrollment deadline	Course start date
2019 Spring Semester	* Dec 28, 2018	Mar 30, 2019	Apr 1, 2019
2019 Fall Semester	* Jun 28, 2019	Aug 30, 2019	Sep 2, 2019

※ All benefits for the Long-Term Study Program are offered to students enrolled in April or September. For other periods, please contact us.

-  Activities
-  Student support services
(only applied to 6 months or more registration)

Scholarships or Airline Ticket

When you apply for the Long-Term Study Program, you can receive a monthly scholarship of 100,000 KRW from the second month or you can choose airplane ticket over scholarship. Scholarships and airline tickets are granted directly from Rolling Korea to the students who meet the criteria. You do not have to repay the school as it is not a loan. Please check the requirements below.

- You have attended more than 90% of your classes. (Max. 1 absence and 2 tardiness)
- The average of your test results are 80 points or more.
- You have participated in all of the scholarship student's activities.

* School manages dates and destinations for students. It's not selectable and airplane tickets cannot exceed the total amount of scholarship.
